Adults Can Play Too!

 CHANCES ARE, that in your youth, you played an organized sport. Now as an adult, your time on the high school varsity team may have come to an end, but you can still kick, dribble, dunk, dive, and hit a home run in a competitive way.

Through Wilton Parks and Recreation there a number of intramural programs for adults (18+) so you can form a team, compete, and play recreational sports. Willing to venture to Danbury, Norwalk, and Stamford? You'll find larger, more permanent adult rec sport meet-ups and establishments.

Biannually, Wilton Parks and Recreation releases an online catalogue of programs, which outlines information, sign up instructions, and a schedule of teams and events. Commonly offered programs include Adult Basketball League, Adult Softball League, and Wilton Adult Co-Ed Recreational Soccer (WARS). Also, sport clinics and classes such as Adult Pickle Ball and Adult Tennis are available. wiltonparksandrec.org.

The Wilton branch of the Riverbrook WMCA offers Masters swim classes along with opportunities to compete in local, state, and national meets. wiltonymca.org —MARGARET MAY
